

L21 Series Super-LED® Beacon

- **Certified SAE Class 1 LED warning beacon.**
- Rivals strobe in intensity.
- Low amp draw.
- 100,000 hour rated life.
- 12 or 24 VDC.
- Five Year Warranty.

Put the LED advantage to work on your toughest vehicle applications. This SAE Class 1 warning beacon was built to take it. The Smart-LED™ L21 Series features 75 Signal Alert™ flashes per minute with 14 additional Scan-lock™ patterns built in. A combination pipe/permanent/J-hook mounting base covers all your mounting requirements. Available with high or low dome, and a choice of polycarbonate or cast aluminum base. Pick the warning beacon that works as hard as you do!
